

Rhode Island Department of Labor and Training (RIDLT) Bulletin

Updates to RIDLT FROI/SROI R3 EDI Requirements Version 1.8 and Effective Date Changed from May 1, 2017 to June 26, 2017

Date: April 4, 2017

The effective date for RIDLT FROI/SROI R3 EDI Requirements Version 1.8 has been changed from May 1, 2017 to June 26, 2017. The decision to delay the RIDLT FROI/SROI R3 EDI Requirements Version 1.8 effective date was made after consideration of recent requests from RIDLT Trading Partners to allow more time for testing and implementation. In addition, we have updated existing documents on the RIDLT Implementation Guide and Requirements page. Please go to <http://ridltedi.info/> and select 'Implementation Guide' under EDI Resources on the left hand side of the page. The 'Track Changes Document' describes the changes to RIDLT's Requirements. Refer to Items 1.8.49 and 1.8.97 through 1.8.100.
