RIDLT Insurer Licensed or Certified List

RIDLT Insurer Licensed or Certified List Overview: RIDLT maintains a list of Rhode Island licensed insurers and certified self-insurers based on insurer license or self-insurer certification start and end dates. RIDLT uses the insurer or self-insurer FEIN registered as part of each Trading Partner Agreement to identify the company. To verify a company's FEIN, please contact RIDLT. RIDLT will use this list to compare injury date with the insurer or self-insured reported on each claim to ensure the insurer is actively licensed or certified as self-insured at the time of the injury.
